SELLING COMFORT AND SERVICE

We are in the business of selling comfort and service to those who, for a modest price, are satisfied to accept Old Time Hospitality, without any frills, but with the attention necessary to make everyone comfortable.

We have been doing business with the parents of many hundreds of our young men and women who have attended the educational institutions of our city, in that great search for knowledge that is necessary, if we want to take our place on the topmost rungs of the ladder in the service of this Great Canada of ours.

We are now appealing to the Sons and Daughters of those Citizens who have made this Canada what it is, and who have given freely of their offspring in the defence of our Empire in this great war.

There has been no change made in the price of the meals at the WALKER HOUSE or the WALKER HOUSE CAFETERIA up to the present time, even in the face of increased cost of provisions to the extent of 85 per cent. within the last two years, and there will be no possibility of that increase taking place provided we can get sufficient patronage to keep our overhead charges within reasonable limits.

Our other Departments, such as the Barber Shop and News Stand, are prepared to give our patrons at all times only first-class service, service that has made the WALKER HOUSE famous amongst reasonable priced Hotels in this Dominion of ours.

Thanking you for past patronage, and glorying in the sacrifice your noble institution has made, a Sacrifice that will be an outstanding monument for all time in the Dominion of Canada.

Money can't buy more than satisfaction. The price counts for a lot in getting a man's first order but we know and he knows

that it is the same satisfaction that his clothes give him in looks and wear, in comfort and fit, that determines whether or not he will come back next season.

Satisfied customers are the back-bone to this great business. Men come back and stick with us year after year. There's a reason. Have you tried our clothes?
